Attachment to Amendment to  
Registration Statement  
February 13, 2006

With this Amendment to Registration Statement, Willkie Farr & Gallagher LLP (“WF&G LLP”) hereby gives notice of a change in its initial Registration Statement and Exhibit B, and Short Form Registration Statements filed with the Department of Justice on behalf of the Korea International Trade Association in accordance with the Foreign Agents Registration Act. Specifically, we seek to amend the following questions in the aforementioned documents:

**1) Section V, Question 13 of the Registration Statement: Has a budget been established or specified sum of money allocated to finance your activities in preparing or disseminating informational materials?**

Previously, we checked the box “No.” We wish to change that answer to “Yes.”

**If yes, identify each such foreign principal, specify amount and for what period of time.**

The foreign principal is the Korea International Trade Association (“KITA”). The specified amount is \$5,000.00. The period of time is services rendered in the first quarter of 2006.

**2) Section V, Question 15 of Registration Statement: Will your activities in preparing or disseminating information materials include the use of any of the following: radio or TV broadcasts; advertising campaigns; magazine or newspaper articles; press releases; Internet; motion picture films; pamphlets or other publications; letters or telegrams; lectures or speeches; and other.**

Previously, WF&G LLP checked boxes for 1) press releases and 2) lectures or speeches. We wish to include in that answer “other” specified as newspaper advertisements.

**3) Section V, Question 16 of Registration Statement: Will the informational materials be disseminated among any of the following groups: public officials, legislators, government agencies, newspapers, editors, civic groups or associations, libraries, educational groups, nationality groups, and/or other.**

Previously, WF&G LLP checked boxes for educational groups. We wish to include in that answer "newspapers."

**4) Exhibit B To Registration Statement, Question 9: Will the activities on behalf of the above foreign principal (Korea International Trade Association) include political activities as defined in Section 1 (o) of the Act and in the footnote below?**

Previously, we checked the box for "No." We wish to change that answer to "Yes."

**If yes, describe all political activities indicating, among other things, the relations, interests or policies to be influenced together with the means to be employed to achieve this purpose.**

WF&G LLP has an understanding with KITA to undertake additional activities on behalf of said foreign principal to assist in the preparation of advertisements concerning U.S.-Korea free trade agreement negotiations to be submitted by the foreign principal for publication in U.S. newspapers.

**5) Short-Form Registration Statements for James Durling, Daniel Porter, Caroline Cooper, and Lauren Fredendall, Question 12: "Do any of the above described services include political activity as defined in Section 1(o) of the Act and in the footnote below?"**

Previously each of the above mentioned short-form registrants checked "No." We wish to change that answer to "Yes."

**If yes, describe separately and in detail such political activity.**

WF&G LLP has an understanding with KITA to undertake additional activities on behalf of said foreign principal to assist in the preparation of advertisements concerning U.S.-Korea free trade agreement negotiations to be submitted by the foreign principal for publication in U.S. newspapers.
